The last mentioned date was a new moon day, & the office was held in the morning. The fair copy of the Notfn was obtained the next day, i.e., 2-11-10 and the

N. would seem the practice is that the papers where a Case is received with orders in sufficient time to catch the next gazette, it is marked urgent so as to avoid missing it. That such a thing entailed trouble and extra Cost on the Press was not known.

(6) In the Case of the financial branch referred to, the typed fair Copies were received on the 2nd nov, Tuesday afternoon and the next day being Gazette Day, the Copy to the Compiler was sent marked urgent in accordance with the practice mentioned above. This will be avoided in future.

C. Rec. 157-10-1

Requesting to issue orders to all the Branches of the Secretariat to send all matters to appear in Part II by Monday evening and those of Parts I and ~~II~~ III by Tuesday evening or Wednesday forenoon the latest.

No. 47

OFFICE OF THE COMPILER, "MYSORE GAZETTE."

Dated Bangalore....7th November 19 10

FROM

C. H. YATES, ESQ.,
Compiler, "Mysore Gazette,"
Bangalore.

To

C.S.BALASUNDARAM AIYAR, Esq., B. A.,
Secretary to the Government, General and Revenue Departments.

SIR,

I have the honor to bring to the notice of Government the inconvenience, trouble and delay caused by the receipt of Notifications of Government on the evening of Wednesday, to appear in Thursday's Gazette. The present practice is that matter of Part II of the Gazette should be completely printed by Tuesday and all Notifications to appear in Part I are kept ready for printing on that day. Wednesday is reserved for work connected with the publication of Statistics, such as Season Reports, &c., in Part IV, and for any Notification of Government received with special instructions to appear on Thursday. Of late almost all covers are being received with Notifications late on Wednesday evening with the words marked "URGENT" and "to appear in to-morrow's Gazette." I enclose herein for reference and kind return the original copies of all Notifications, received on last Wednesday, and specially I beg to invite particular reference to Government Docket No. 3692/L.S.5-10, dated 2nd instant, forwarding the Proceedings of the meeting of the Kolar Gold Fields Sanitary Board, dated 23rd September 1910, with instructions that the same appear in the Gazette of the 3rd Idem. These Proceedings are published in Part II of the Gazette, the printing of which was completed by Tuesday night. In consequence of this order and a number of Notifications received late on last Wednesday evening, it

GPB—200—9-6-10

was not possible to issue the Gazette on Thursday in time, and late at night the printing of the Gazette was completed and copies were distributed only on Friday last.

2 I beg to state that if this is allowed to continue I am afraid that it will not only give cause for the delay in the issue of the Gazette, but also errors might creep in, in rushing the work through. Under those circumstances I beg you will kindly issue stringent orders to all the Branches of the Secretariat to send all matters to appear in Part II by Monday evening and those of Parts I and III by Tuesday evening or Wednesday forenoon the latest.

3. I send herewith a draft order for your approval and publication in the front page of Gazette under your signature, notifying the time within which the matter to appear in several parts of the Gazette is to be sent to Press. Similar orders appear in the Gazette of India.

I have the honor to be,

Sir,

Your most obedient servant,

Compiler,

Mysore Gazette.

(DRAFT FOR [illegible].)

General and Revenue Secretariat,

Bangalore dated.....1910.

N O T I C E.

It has been brought to the notice of Government that matter for the Mysore Gazette is sent to the Press late on Wednesday evenings for publication in the next day's Gazette, and that this involves considerable inconvenience to the Press and expense to Government. It is therefore hereby ordered that all notifications to appear in Part II of the Gazette should reach the Compiler's Office on or before the evening of Monday. Those of Parts I, III and IV by the evening of Tuesday or by the forenoon of Wednesday the latest. The Compiler, Mysore Gazette will be at liberty to keep back these notifications thereafter, unless specially ordered by Government to appear in a particular Gazette.
